

Digital Archiving Services

Digitize Your Family Legacy!

Bedrock Creative Media duplicates, preserves, and modernizes your family mementos and keepsakes. Our VHS & camcorder digitizations are competitively priced. We also offer bulk photo scanning services with optional digital touchups. We will work with you to find a solution to digitize other media as well!

"My family had so much fun watching our old home videos from when my kids were young! I am so happy knowing that the digital copies of our tapes can be shared with all of my kids."

- Kari Loofe

Home Movies

Our base rate is \$20 per tape. Tapes over one hour are \$25, and tapes over two hours are \$30. Discounts are available for larger orders.

Photo Collections

Our bulk photo scanning rate is \$35 per hour, including light digital touch ups for dust and scratches. This averages to \$0.15-0.20 per photo.

+ Much More!

We are determined to meet your needs! If you have a different type of media that you'd like digitized, we will help to find a solution.
